

Network Technician

SWIFT Services

Build the network that keeps rural communities connected.

SWIFT Services is seeking a motivated **Network Technician** to join our growing team. If you enjoy working outdoors, solving technical challenges, and making a direct impact on customers every day, this is an opportunity to build a long-term career with an organization committed to investing in its employees.

As a Network Technician, you'll install, maintain, and troubleshoot our fiber optic network and customer services while helping deliver reliable broadband throughout the communities we serve.

What You'll Do

- Install, maintain, and troubleshoot underground and aerial fiber optic facilities.
- Install residential and business fiber internet, voice, and related services.
- Locate underground facilities and respond to service outages.
- Perform fiber testing, splicing, and network troubleshooting.
- Maintain accurate documentation of network assets and service work.
- Assist with network expansion projects and preventative maintenance.
- Deliver outstanding customer service while representing SWIFT Services professionally.

What We're Looking For

- Experience in telecommunications, fiber optics, electrical utilities, networking, or a related technical field preferred.
- Strong mechanical aptitude and troubleshooting skills.
- Ability to work independently and as part of a team.
- Excellent communication and customer service skills.
- Valid driver's license with a safe driving record.
- Ability to work outdoors in all weather conditions and participate in an on-call rotation as needed.

Exceptional Benefits

At SWIFT Services, we believe great employees deserve great benefits.

Our benefits package includes:

- **Paid Time Off (PTO)** beginning upon eligibility.
- **100% employer-paid family health insurance** through the **NTCA Gold PPO Plan**, providing comprehensive medical coverage for you and your eligible family members.
- **3% employer IRA retirement contribution** to help you build long-term financial security.
- **Company-provided cell phone.**
- Company-provided tools and equipment.
- Ongoing training and professional development opportunities.
- Stable, year-round employment with opportunities for career growth.

Why SWIFT Services?

We are committed to providing dependable communications services while maintaining a workplace built on integrity, teamwork, and respect. Our employees enjoy meaningful work, modern technology, and the opportunity to make a lasting difference in the communities we serve.
